WHY JCA?

The **Junior Cube Association (JCA)** is India's first and only platform dedicated exclusively to nurturing young minds through the sport of speedcubing. Since its inception in 2020, **JCA** has organized 19 successful championships, reaching over 2,000 participants across the country and beyond. With a vision to promote logical thinking, focus, and fair play, **JCA** offers a safe, structured, and exciting environment for children to learn, compete, and grow. From beginner-friendly events to advanced formats, every competition is designed to motivate children to become confident problem solvers. **JCA** is proudly recognized by global record bodies like India Book of Records, Asia Book of Records, and Noble World Records, a true testimony to the talent and impact of our young cubers. With online and offline events, verified leaderboards, certified solves, and inclusive policies, **JCA** is building a world where every child gets the spotlight they deserve, regardless of where they come from.
